### Foundation Glowing from Results of the 12th Annual Tree Lighting

The CPDMH Foundation is thrilled to announce that the 12<sup>th</sup> Annual Tree Lighting Ceremony has received gifts totaling **\$41,137.75**. These funds will be used to help purchase a hematology analyzer, platelet mixer and biochemistry analyzer for the Hospital's lab. Each item is vital to the day to day operations of the lab and are critical elements in assisting physicians with patient diagnosis and treatment.

"We are constantly surprised by the support and goodwill that we receive from the community and on behalf of the Foundation and the Hospital, I would like to thank everyone who contributed to this year's Tree Lighting", said Chantelle Troy, Manager/Community Relations Officer of the CPDMH Foundation. "We know the lab is a very busy department and the planned equipment upgrades will be very beneficial to the department and the patients it serves."

The Foundation would like to thank the Carleton Place Home Hardware for helping add lights to our Tree; Ashton Tree Service for putting up the lights; the Town Singers for providing entertainment during the Tree Lighting Ceremony; Santa and Mrs. Claus for attending the ceremony; and the Hospital Maintenance team and Food Services for their help with the ceremony. As well, the Foundation sends its sincere appreciation to the Canadian Gazette and the EMC for publishing the list of donors to the 12<sup>th</sup> Annual Tree Lighting.

*With a cheque representing the funds raised from the 12<sup>th</sup> Annual Tree Light are: Scott Guyan, co-owner of Carleton Place Home Hardware; Victor Guillemette, Maintenance Manager; Carol - Ann Breedyk, Lab Technician; Deb Quintal, Manager of Food Services; Leslie Chisholm, Lab Clerk; Janice Nephin, Lab Technologist and Janette Ferguson, Lab Technologist.*
