Ian Edwards, CPDMH Foundation President, with Laurie Scissions, Inpatient Nurse Manager of CPDMH, Debra Bellevue, member of the Ben Pan organizing committee and Andrew Staniforth, Chair of the Tournament all with a cheque representing the proceeds for the 4th Annual Bed Pan Classic Golf Tournament.

The organizing committee for the 4th Annual Bed Pan Classic Golf Tournament is thrilled to announce that the tournament, held on June 19, has raised \$25,645 for the Carleton Place & District Memorial Hospital (CPDMH) Foundation.

“The results from this year’s tournament are fantastic and we couldn’t have done it without the overwhelming support from the participants and the companies who donated prizes and sponsored holes”, stated Andrew Staniforth, Chair of the organizing committee. “The committee would also like to thank the staff and membership of the Mississippi Golf Course for their help in making sure the event was a success.”

“The Board and our membership are very aware of the benefits of having the Carleton Place Hospital in our community and the membership thought it would be a good idea to make the hospital our charity of choice,” stated Paul Virgin, President of the Mississippi Golf Course. “We are thrilled to have the tournament here and look forward to hosting the event for many years to come.”

Since the Bed Pan Golf Tournament began in 2003, it has raised \$62,776 for the CPDMH Foundation. The proceeds from this year’s event will be used towards the purchase of a Pictorial Archiving system (PACS). This system allows x-ray images to be stored on the x-ray’s hard drive for an extended period of time and printed at a later date. PACS will complement the hospital’s current x-ray machine, which was purchased by the *Help Improve Tomorrow Today!* campaign during the summer of 2004.

“The Foundation and the Hospital are continually surprised by the support we receive from the community and the success of this year’s tournament is no exception”, stated Ian Edwards, President of CPDMH Foundation.

Debra Bellevue and Mike Gagne with Spencer Grabe, General Manager of DICA Electronics. DICA Electronics was the main sponsor of the 4th Annual Bed Pan Classic Golf tournament.

“The tournament was sold out very soon after we started taking registrations and we had an increase in the number of sponsorships and donated prizes. I would like to thank everyone who supported the event especially the membership of the Mississippi Golf Course for making us their charity of choice.”
