### Car Cruise Night Supporting Carleton Place Hospital Foundation

Car lovers in Carleton Place and the surrounding areas now have a way to entertain themselves on Wednesday evenings because a car cruise night is being held in the Rona parking lot (535 McNeely Avenue) in Carleton Place. The event is open to all makes and models of vehicles.

“I was asked by fellow car guys if I would be interested in starting up a cruise night in Carleton Place. I decided that I would try and raise funds for the Hospital from the event and I thought the Rona parking lot would be an ideal location to host the cruise night” stated Jeff Shoots, Organizer of the Carleton Place Care Cruise night. “Thankfully Rona

agreed to let me use the parking lot and also threw in some door prizes for the event”

The Carleton Place Cruise Night will be held every Wednesday evening from 6 pm to dusk until September 14. Each week there will be a 50/50 draw and the proceeds from the raffles will be donated to the CPDMH Foundation. The winner of the 50/50 draw and door prizes will be announced each evening around 8:00pm. The event will also be selling tickets on some larger prizes and the winners for the larger ticket items will be drawn on the last cruise night of the year – September 14.

“We really appreciate that Jeff has decided to use the Carleton Place Car Cruise Night as a way to raise funds for the Hospital,” stated Chantelle Troy, Manager Community Relations Officer of the CPDMH Foundation. “This is a great opportunity for car enthusiasts to see some cool cars - both new and old – and I’m sure there will be a lot interest in this event.”

“In addition to great support from Rona Carleton Place, Will’s Grill has decided to donate 10% of his food sales during the event to the cause,” continued Mr. Shoots.
