LCBO Comes to the Aid of Hospital Emergency Department

The Carleton Place & District Memorial Hospital (Foundation) is thrilled to announce that it has received a gift of \$5785 from the Carleton Place LCBO. The gift is the result of fundraising for the Hospital's Emergency Department during the month of April.

"I would like to thank the Carleton Place LCBO for their support of our ER and the equipment needs associated with the Department," stated Esther Houle, CPDMH's Chief Nursing Officer and Outpatient Manager. "We really appreciate this wonderful gift and all the effort it took to make this donation possible."

Participating in a cheque presentation for the recent gift from the LCBO are Brenda Logan, LCBO Assistant Manager, Linda Crowe, Customer Service Representative and Esther Houle, CNO/Outpatient Manager of CPDMH.

The events organized on behalf of the Hospital included a coin collection jar, a bake sale, and a Spring Dance on May 1. As part of the fundraising efforts, LCBO manager Edward Merkley and local paramedic Jerry Zwicker were surprised to learn that they were participating in a Jail and Bail event on Friday April 30.

"We are very proud of what we were able to accomplish on behalf of the Hospital", stated Edward Merkley, Manager of the Carleton Place LCBO. "I would like to thank our customers for making this possible and my staff for rallying behind our fundraising efforts. I would also like to say a huge thank you to Linda Crowe for organizing the events – including my Jail and Bail!"

The staff of the Carleton Place LCBO and the CPDMH Foundation would also like to take this opportunity to thank the following businesses and individuals for supporting the Spring Dance and the other events organized by the LCBO on the Hospital's behalf.
