### CPDMH Foundation Glowing from Success of Tree Lighting

Thanks to the tremendous support from the residents of Carleton Place and the surrounding communities, the Carleton Place & District Memorial Hospital (CPDMH) Foundation is thrilled to announce that the 14<sup>th</sup> Annual Tree Lighting Ceremony was an overwhelming success and has received gifts totaling \$42,713.50.00. The funds will be used to help purchase a new ultrasound machine for Hospital's Emergency Department.

“Once again I am amazed by the generosity of this community and on behalf of everyone associated with the Hospital and Foundation, I want to express our sincere thanks for supporting our recent Tree Lighting”, said Chantelle Troy, Manager/Community Relations Officer of the CPDMH Foundation. “This event holds a very special meaning to me and I can't thank everyone enough for their continued kindness to our organization.”

The Foundation would like to thank Ashton Tree Service for putting up the lights; the Town Singers for providing entertainment during the Tree Lighting Ceremony; Santa and Mrs. Claus for finding time in their busy schedules to attend our ceremony; the Hospital's Maintenance team for their help with putting up the lights and the ceremony; and Food Services for providing the hot chocolate.

Finally, and most importantly, the Board of Directors of the CPDMH Foundation, and all associated with the Hospital, would like to thank the individuals listed below for their kindness and generosity. You have made a difference!
