Spring Country Show a success!

The Carleton Place & District Memorial Hospital (CPDMH) Foundation is thrilled to announce that it has received a gift of \$2650 from the Spring Country Show hosted by local musician Wade Foster. The event featured DoubleBack as the house band and the funds raised from the show will be used to purchase an IV pump for the Emergency Department.

“Wade is a very talented musician and I would like to thank him for deciding to do this event on the Foundation’s behalf”, stated Chantelle Troy, Manager/Community Relations Officer with the CPDMH Foundation. “It was a very entertaining that showcased wonderful performances from local artists and of course DoubleBack was an amazing house band!”

“The show would not have been possible without the support from DoubleBack and the other artists

that performed throughout the evening and I would like to thank everyone who contributed to the success of this event,” stated Wade Foster. “I’m thrilled with what we were able to accomplish on the Hospital’s behalf and I would like to extend special thanks to Bob White for helping to organize the event”

Wade was born and raised in Perth and he has been playing the fiddle since he was 7 years old. He is well known for his versatile fiddle style and his musical diversity is also highlighted by his tremendous rhythm and lead guitar talents.

Wade and the CPDMH Foundation would like to thank everyone who attended the release party for making this gift possible.
