

X-RAY TECHNOLOGIST - CASUAL POSITION

Almonte General Hospital and Carleton Place & District Memorial Hospital created the Mississippi River Health Alliance (MRHA) in 2016 to formalize their commitment to work together to improve each patient and resident's overall health care experience through a strong, coordinated system of care. Each hospital remains a separate corporation with its own Board of Directors and Foundation. An integrated Senior Team leads the two Hospitals, as well as Fairview Manor and Lanark County Paramedic Service which are operating divisions of AGH. Over 600 caring staff, physicians and midwives provide excellent primary, acute and long-term care to citizens of Lanark County, West Ottawa and Renfrew County.

The Diagnostic Imaging Technologist reports to the Clinical Manager of the Diagnostic Imaging Department. The incumbent must have the ability to work with minimum supervision during regular hours, and with no supervision during call-back time. The classification works in close contact with patients, physicians and their office staff and hospital staff.

Competencies and Personal Attributes

- Commitment to excellence, quality and safety
- Ability to promote effective and respectful communication to foster interpersonal relationships.
- Ability to work cooperatively and respectfully within a team environment.
- Effectively able to manage competing priorities and meet deadlines.
- Ability to work in a manner that is in compliance with patient and employee safety practices, policies and procedures of the organization.
- Ability to contribute to a work environment that is conducive to the organizations Workplace Violence and Harassment policy.

Mandatory Qualifications:

- Graduate of an approved and accredited X-Ray Technologist program.
- Registration with the College of Medical Radiation and Imaging Technologists of Ontario.
- Current membership with CAMRT and OAMRT is preferred.
